

## Compact and easy to use vacuum cleaner for everyday use

DSU product family has four products which are DSU 8, DSU 10, DSU 12 and DSU 15. They have different tank capacities, an ergonomic design and they are easy to service.

DSU 12 and DSU 15 have an ECO working model to save energy. As standard, the machine is delivered with the following accessories:

upholstery tool, crevice tool and round dusting brush.

HEPA filter is optional for these machines.

- Easy to use. Main switch which can be operated by foot or hand, cord wrap and hook function, accessory holder, tube holder and HEPA option
- Simple and user-friendly. High maneuverability making transport easy
- Great value for money. ECO switch which can save energy in different cleaning situations. High motor power on 12L and 15L improving cleaning efficiency
- High quality product

You will find it ideally suitable for daily indoor cleaning in offices, hotel rooms, small restaurants, retail outlets and light to medium duty applications.
